

A Family Medicine Without Alcohol

Ayer's Sarsaparilla is a tonic and alterative, free from alcohol. What is a "tonic"? A medicine that imparts strength or tone; a medicine that builds up, gives vigor and power. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Ayer's Sarsaparilla does all this without stimulation. Ask your doctor if a family medicine, like Ayer's Sarsaparilla, is not vastly better without alcohol than with it.

Ayer's Sarsaparilla

SPORTS

By J. W. BAINS.

FOOTBALL BONUS OTHER SPORTS QUIET

Except for the football games which are being played locally between the various schools and colleges, everything is quiescent in sporting circles. Rowing has been abandoned for the time being; swimming has been inert for months past; baseball is dead, except for the series of games now

being played by the Marines; pugilism is almost unheard of, except for an occasional report of matches to come, which usually proves deceptive, to say the least; athletics has taken a back seat; and tennis has been entirely wiped from the list of seasonable sports. Yachting is progressing quietly.

BALL GAMES IN THE MARINE SERIES CLOSING

With the final match in the Marine Baseball Series set down for this afternoon, there should be a large crowd of spectators around the diamond at Camp Verry. The companies represented in this match are "D" and "B," both of whom suffered defeat yesterday. "D" Co. has had the championship within its grasp right through the series, being only threatened during the past few days, but yesterday the team fell down to "A" Co., losing by one run only. "C" Co. saved the day for "D" Co. by defeating "B" Co. and the final match to be played today is the result. On form, excepting that shown by "D" of late, the game would appear to be a safe proposition for "D," but "B" must be given a chance when the play of the past few days is taken into consideration.

The contest between "A" and "D" was close, but the pitching of Stremple for "D" Co. was not as good as was expected, though the single run scored by "A" was not due to weak pitching, but to an error in the third by Shelby. Stremple struck out five but he had nine hits registered against him, while Gaw, who pitched for "A" Co., struck out three and had only four hits against him.

The batting of "Johnny Kling" was a feature of the game, but the fielding of Miller, of "A" Co., prevented Sinclair from getting a two-bagger, and Corporal Milburn also pulled down several good hits which would otherwise have gone for two or three-baggers. Batten caught for "A" Co. and Sinclair for "D" Co. The game was played in fifty-eight minutes.

High scoring marked the second game, between "B" and "C" Companies, which was won by "C" by ten runs to six. Nig. Hayes, Jack Cole and Sheeny Mose gave good batting displays, while the pitching of Sharp was also worthy of commendation. The batteries were: Sharp and Alvin for "C" Company; Clingroth, Thompson, Anderson, Schuman and Frank for "B" Co.

HEALANIS ARE VERY ACTIVE

Wednesday next the Healan Boat Club will hold a meeting at which officials for the coming year will be elected. The Club is in a flourishing condition at present and matters are moving as favorably as the most optimistic members could desire. The membership is growing and what is more, the members are taking a lively interest in the doings of the club. The outgoing committee will submit to the meeting a list of names for the positions which become vacant by the lapse of time and there seems no reason to believe that the members will not accept the recommendations of the committee in this regard. The "slate" comprises the best men available and it is probable that they will be elected en bloc without a single dissentient.

Even more life is to be infused into this club with the new year, for suggestions are already being considered for the introduction of monthly dances and monthly smoking concerts. Such functions always assist in drawing the members of a club together and if they can be successfully carried out (there is no reason why they should not be) next year should be a bumper term for the Healanis. Rowing members are looking forward to the completion of the new boat, which will place them upon more even terms with the Myrtles than they are at present.

It is also proposed to hold a couple of barge races in the near future, and it is probable that a swimming team will be organized to compete against all comers. A swimming carnival would be an acceptable function with which to usher in the new year. Six weeks is plenty of time for the members to train, and the hold-

Courts has been concluded and they are again open to members. Both courts have been shifted back five feet, and there is much more room for players to get back than has hitherto been the case. The result is a great improvement, but it will be some considerable time before the courts are in the excellent condition they were before being moved. As they have been well laid and top-dressed they will set well, so that is only a question of time before they are in good trim again. Alterations to the club's pavilion are contemplated, and the work will be put in hand shortly.

WILLS & HASSAN FOR THE PARK

Wills & Hassan are rapidly overcoming the effects of the long sea voyage from Australia and are now ready for their thrilling act at the Park on Monday evening. An illustration that we reproduce elsewhere will show that something out of the common is promised for patrons of this popular house of entertainment, and the successes of many other parts of the world are sure to be repeated here. The demand for something new will surely be fulfilled by the appearance of these daring and accomplished performers.

Harney and Haynes have finished a successful season at the Park, and they leave for Australia today by the C. A. S. Makura. This couple should do well in Australia, and their stay there ought to be a fairly long one.

Wise & Milton have been great laughmakers at the Park since Thursday night. They conclude their short

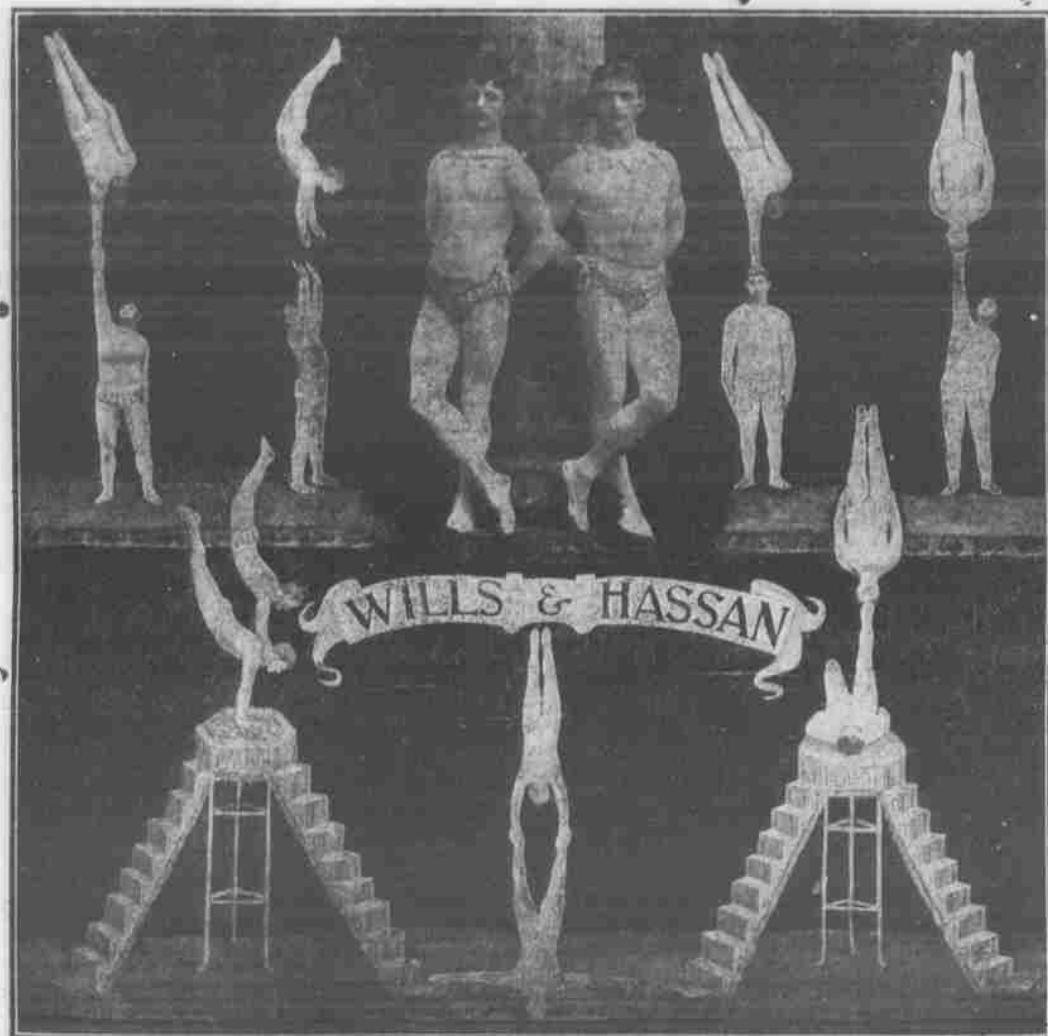

season tonight, and return to the Navy on Monday evening, where they are sure of a warm welcome back. Manager Condon is now negotiating for more vaudeville talent. Wills & Hassan are a whole show in themselves.

Music lovers will be pleased to know that Mrs. Ingalls has decided to give a recital under the auspices of the Kiohama Art League on the 29th of this month, at the Opera House.

This afternoon and tomorrow the members of the Country Club will compete over the golf links for the President's Cup, which has been offered for competition by Walter Dillingham. The links are in good condition and a close contest is expected.

Kernit Roosevelt says he was once camping in eastern Utah, when a prospector came along one morning on a mule. He had his jaw tied up, and at first seemed inclined to pass on without a word. On second thought, however, he halted and gruffly queried:

"How far to Salt Lake?"
"Three hundred miles."
"Humph."
"Traveled far?"
"About two hundred miles."
"Get your jaw hurt?"
"No, it's just an infernal tooth-ache, and I'm a-riding five hundred miles to get it pulled."
He was invited down, and one of the crowd got a piece of string round the tooth and jerked it out as slick as you please. After the overjoyed man had ceased dancing about, the young camper queried:
"Why didn't you try the string before starting out on such a long ride?"
"Best kind of reason, sir, I hadn't nary a string."

Who make their first appearance in Honolulu at the Popular Park Theater on Monday evening. The illustrations show the thrilling nature of the act that will be submitted. Some structural alterations to the stage have been rendered necessary.

SHAW & SEVILLE

NEW MONUMEN WORKS

King Street Near Alakea - - - Honolulu

WE beg leave to state that we have installed a First-Class Shop, equipped with the latest pneumatic tools run by compressed air, for cutting, carving and lettering monuments. We have a large stock of monuments on hand, and books of designs to select from. With our modern equipment we can give you first-class work.

Call or write, and be convinced of Quality, Prices and Workmanship. We can serve you the best.
